

Email - Disclaimer

This message and any attachments may contain information that is confidential and subject to legal privilege. It is intended solely for the use of the individual or entity to whom it is addressed, and others authorised to receive it. If you are not the intended recipient you are hereby notified that any disclosure, copying, distribution or taking action in reliance of the content of this information is strictly prohibited and may be unlawful. If you have received this communication in error, please notify the sender immediately and permanently delete it from your system. The contents and any views expressed therein are, unless otherwise stated the views of the author and are not those of Ultima. Nothing contained in this email constitutes a binding agreement unless expressly confirmed in writing by a duly authorised representative of Ultima. Whilst all reasonable steps are taken to ensure the accuracy and integrity of the information transmitted, Ultima does not accept responsibility for any corruption of the information or data and breach of confidentiality as a result of the electronic submission. Ultima is neither liable for the proper, complete transmission of the information contained in this communication, nor any delay in its receipt or that the mail is virus-free. Ultima is not liable for loss or damage resulting from the opening of this message and/or the use of information contained in this message and/or attachment. Please note that Ultima will not accept the confirmation or change of banking details based solely on email communication. Clients are encouraged to independently verify all banking details telephonically with the relevant authorised representative before making any payment, as email communications may be intercepted or fraudulently altered. Ultima will not confirm the banking details of product suppliers via email. Should you receive any communication relating to banking details, please verify its authenticity with the relevant party before making payment. Be cautious of emails from unknown or external senders, impersonation attempts, unexpected links and attachments, and always verify the sender's email address.
